

2023 season was a tough one for the clubs 1XI.

Our long run in Div 3a sadly came to an end. For a number of season we were able to compete at this level. This season we Just didn't have the strength and depth to compete. Loosing key players in the off season was not ideal.

My thanks to all players who stepped up to play in the league. It was great to be able to give many younger players thier first chance and experience to play in the 1s this year and hopefully this puts the club in stronger position to be able to compete at the new level in 2024.

Thank you to Steve for taking over as Captain whilst I was away and vice for the season.

Thank you to Allan and Mark for umpiring

**and scoring respectively. Thank you to
Gary and the Grounds team for producing
some great pitches.**

**Good luck in 2024
Gillers**
